E tipu nga rakau iti

19th September 2018
Week 9 Term 3

Tena koutou katoa,

I tera wiki, ko te wiki o te reo maori. Ka mahi matou i te tikanga maori. Ka whai ake nei nga pikitia o te wiki. Last week was Maori Language Week. Here are some photos of students enjoying the celebration.

Thanks to all the people who helped with the week. The kapa haka also had a very busy week. They represented our school with pride in all the events they attended. Special thanks to the families who gave up their time to help our kapa haka. There was a great home/school partnership feel about the whole week.

SET for Life

Windley School aims to have all our students SET for life.

All students need to be: **S**ocially Skilled, **E**ffective Communicators and **T**hinking Learners.

At Year 5 and 6 this means that the students are **managing themselves** by doing the following:

- Planning their steps to achieve their goals
- Ignoring negative behaviour
- Modelling positive behaviour
- Using self talk to self manage and self motivate
- Taking responsibility for school equipment/things
- Taking risks and learning from their mistakes
- Self managing their time and tasks

These are skills they could be practising at home as well. Here are some of our students who are SET for Life.

Affordable wifi. 30 gigs of data for \$10 a month

Spark Jump is an arrangement where chromebook families can have internet access of 30 gigs for \$10 per month, using a top-up card system. The first 2 months are free. The children will have their chromebooks linked up, and other devices in the home can also use it.

Te Mana o Kupe is a partner to this deal so the school has modems available for you to have. The first preference is for families who don't have internet at all but if you are paying too much and you don't need unlimited data then this is a great deal for you. Inquire at the office.

Reminders
