

3rd June 2020

Talofa,

Vaiaso o le Gagana Samoa.

Windley School couldn't do what we would usually do for Samoan Language Week but we had plenty of fun doing Samoan Language activities and then showing the rest of the school on Zoom.

Alert Level 2.

This week we are able to have larger gatherings and, therefore, can restart Kapa Haka and Poly Club, and have programs like Kiwi Can and Ko Wai Au. Technology at Brandon has re-started and we are almost back to normal. Please remember to still register at the office for tracing purposes if you come into school.

Staff News

Welcome to Gabriel Antonio who is a Teacher Aide at our school in Room 5 supporting the teacher and students. Please also welcome Justine Brown who is a new but experienced Teacher Aide working across Rooms 16 and 17 supporting students and teachers in those rooms.

Welcome to Ofisa Tamala-Mani who is employed for a short time to keep the school regularly cleaned throughout the day, especially high touch areas. This helps us stay safe while at school.

Student News

It is great to have all the students back at school. They have all transitioned back to school successfully and are keen to continue with their learning. Thank you to all the families who support their children with their learning. The students were very proud of the work they did during alert level 4 and 3.

Skinny Jump

These are a great way of getting internet without paying lots of money every month. It is limited in so far as it is prepaid (like phones). You get 30Gb for \$5 and you can prepay up to \$25 per month for 150Gb. Just see Kay at school to find out how to join.

Kia kaha, kia maia, kia manawanui
