

Windley School

E tipu nga rakau iti

November 19th 2021

Kia orana koutou katoatoa,

I know we all like to celebrate our tamariki being successful and support them with their school activities at school. This term we have had to stop community gatherings at school, like inviting whānau to assemblies, sports, Poly Club, Kapa Haka and concerts because of the spread of COVID. Please read COVID restrictions on Page 2 of this newsletter.

Staff News

This year has been difficult for students and staff for a number of reasons. I acknowledge the contribution that many staff members have made to the teaching and learning this year. The Support Staff we have are very skilled at working with tamariki and teachers. Our teachers manage many complex anxiety issues with some of our tamariki. Our whole staff have been learning about trauma informed practices that support our teaching and learning. I am proud of our staff for the work they have been doing.

STUDENT NEWS

VAI awards

Voice: Everyone has a voice that can change the way things are.

Action: Learners make a difference

Identity: Know who you are. Be who you are. Show who you are.

Chromebooks

Now is the time for Year 4 students to buy chromebooks for next year. Having their own chromebook means your children can work at home as well as at school. During COVID lockdown this became very important and those who had chromebooks had a huge advantage over the others. If you are a Pacific person, you might be able to get a chromebook for free through Whānau Ora. Just contact Yvonne at the office.

COVID News

COVID expectations for public

- All visitors scan and report to the office
- All visitors physical distance where possible
- All visitors wear masks on site
- Workers scan, wear masks and are vaccinated
- Parents to pick up and drop off from car park
- Parents go to the office only – not classrooms
- Parents wear masks on site, scan and physical distance
